Briefly describe the project for which you are requesting this grant.

We need money to continue purchasing supplies for our JMG program at Lula and also to purchase and plant three new raised beds to be placed at the front of the school building.

Document (or attach any information) in detail the items and their costs for your anticipated purchases to complete your project.

The raised beds will cost approximately \$60 each. We will need Miracle Grow 1.5 cu ft Organic Raised Bed Soil @ \$8.98 each to fill each bed. We will need three All in One Miracle Grow Wildflower Mix @ 9.97 each to plant in each bed. We need \$12.50 to purchase one 12-pack box of floral tape to do "Tussy Mussies" in April. If conditions are suitable we need to plant fall vegetables in early September at a cost of approximately \$30.00 for 90 plants.

We are also requesting \$30 for refreshments for the JMG kids. We meet after school and we have been furnishing them a snack. We give them water from the faucet and we furnish chips and cookies. We feel this is necessary for the students to be alert at this time of the school day.
